Take part in protecting and maintaining our dedicated beach. You can help by mailing your \$100 check payable to BAWBP, Inc. If you own multiple lots we encourage you to pay \$100 for the first lot you own, and \$50 on all remaining lots you own to enjoy a vote for each lot for which you pay dues. Many residents are contributing even more to help us increase our funds. We need volunteers as well. Thank you for providing us the information we need to promptly keep you informed of updates and gate code changes.
